Inventor: Juliana Hunt

Title: Riding Jacket

Application: 10/810413

Applicant acknowledges the Notice of Non-Compliant Amendment office action dated 11/22/2006 by Paula Britton the Legal Instruments examiner pertaining to the Amendment to Claims submitted. Applicant has drawn up a new Amendment to the Claims that cancels the original Claims 1-33, withdraws the previously presented claims 34-40 and includes new claims 41-48. Additionally, applicant is resubmitting the Amendments to the Drawings; the replacement Figures 7 & 8 and the Amendment to the Specifications paragraph [0006] located in the SUMMARY OF THE INVENTION with an elimination of the text at the top of the pages that previously listed the inventor, invention title, serial number and application number. Applicant has omitted these references to avoid confusion during the USPTO scanning process.
